About our Sponsors

In 1982, the Southern California Restaurant Writers named **The Trabuco Oaks Steak House** "A Legend In Its Own Time." We serve only USDA CHOICE corn-fed beef, the best available, aged just right and hand-trimmed to our exacting standards. Extra-thick top sirloins, T-bones and hand-cut filets broiled over real mesquite charcoal. No gas, no electricity, no folderol. Just the best darn steaks

you ever tasted. We hand-cut our own french fries, bake our own beans, make our own salad dressing and even cook up our own spaghetti sauce from an old family recipe. To keep too much celebrity from going to our heads, we have a strict no-tie policy. You can see the results of that policy strung from our rafters, a constant reminder not to take ourselves too seriously. 20782 Trabuco Oaks Road, Trabuco Canyon, California 92678 949-586-0722 www.trabucooakssteakhouse.com
